Personal Attention, Exceptional Results—  
A Lawyer You Can Count On

“TO INSURANCE COMPANIES AND CORPORATIONS, INJURY cases are simply a claim number and a business problem. But to a victim, each case is so much more,” says Michael Guajardo. “It’s about the rest of their lives.” As an accomplished trial lawyer, Guajardo has worked diligently to help his clients level the playing field and obtain results that make a real difference.

**WINNING WHERE IT COUNTS—THE COURTHOUSE** During his career, Guajardo has established a successful track record through numerous notable recoveries for his clients. Respected by defense and plaintiffs attorneys alike, he brings a rare mix of respectfulness and aggressiveness to the trial preparation necessary to obtain outstanding results for his clients.

Early in his career, Guajardo practiced as a defense lawyer, which gave him an understanding of how insurance companies work. Based on this invaluable experience, he knows how to deal with insurance companies in order to make each case a fair fight. He also trained under legendary Dallas attorney Frank Branson. After eight successful years with Branson, Guajardo made the decision to open his own firm.

**PERSONAL ATTENTION THAT COUNTS** “I think it’s important to build a close, trusting relationship with each client. They oftentimes

need someone to hold their hand through a very difficult time,” says Guajardo. “I want to understand what happened to them and appreciate the goals they’re trying to achieve. I work with them step-by-step, striving to ensure they understand how the system works and what to expect as we develop their case.”

“My clients deserve my respect, my time and my best efforts. I’m also a family man, so I understand how an injury or death can impact the family unit and undermine its ability to function,” he points out.

Guajardo’s practice includes personal injury and wrongful death cases, with an emphasis on trucking litigation. His practice also includes motor vehicle and drunk driving accidents, workplace accidents, construction accidents, and premises and products liability.

**CREDENTIALS THAT COUNT** Guajardo is a member of the Million Dollar and Multi-Million Dollar Advocates Forums, and he has distinguished himself with an AV-rating from Martindale-Hubbell®. He is a director for the Dallas Trial Lawyers and Texas Trial Lawyers Associations. His practice spans the state of Texas, as well as New Mexico, Oklahoma and Louisiana.
